New Smoking Fetish Movies added at [Smoking Flicks](#)

We've added two new videos at [Smoking Flicks](#) – the smoking fetish movie streaming and download site. They're archive material shot for us by Random Snaps; Volume 68 features Kim B. and many other models, and Volume 69 rocks with two killer group scenes, including cute Sara P. smoking a cigarette and a hookah at the same time

Come check them out at [Smoking Flicks](#)
