4/15: New this week at [Smoke Signals Online](#) ...

This week at Smoke Signals Online, the Smoking Fetish Megasite, we've got more than 900 new photos and 21 minutes of new video. Skye returns this week to the videocap galleries, smoking VS 120s with several different looks. She's in everything from casual outfits, to a sexy top and panties, to a corset; throughout, she puts on a smoking show with cone and nose exhales (some right-at-you), smoke rings, snaps and great open-mouth inhales. And in the high-res galleries, sultry Bianca smokes 120s in a very sexy session.

In the video galleries, newcomer Brittany is featured in four scenes; she shows deep inhales, nice snaps and frenches, followed by cone and nose exhales; there are some great closeups, plus some impressive rapid smoking. And she's obviously having a terrific time smoking for us.
