1/8: New this week at [Smoke Signals Online](#) ...

This week at Smoke Signals Online, the net's premier smoking fetish site, we've added 526 new photos and 22 minutes of smoking fetish video.

In the photo galleries, we have two glam shoots with Janey. First, she smokes at her desk and applies lipstick, showing deep inhales, a natural quick french inhale, mouth and mouth/nose exhales, dangles and smoke rings. Then, she sparkles with the same terrific style, in a short mood shoot with natural light.

She also has a great high-res shoot; thoughtful, with champagne and Marlboro 100s.

In the video gallery, sultry, dark-haired Logan takes long drags on her corks and shows strong mouth exhales; she slowly enjoys her cigarettes, strips, and masturbates as she chains.
