11/8: New this week at [Smoke Signals Online](#) ...

This week at Smoke Signals Online, the net's premier smoking fetish site, we've added 415 new photos and 16 minutes of smoking video.

In the photo galleries, Mel L. is in sexy lingerie, and then in a shirt and panties, as she smokes nicely with her mouth and oozing exhales and recycled french inhales. And in the high-res galleries, Tash W. vamps, models and smokes in a funky cigar shoot, with some nice wafts and snaps.

In the video galleries, Nicki returns for an epic smoking blow job as she slowly strips out of her business suit, taking deep drags and bathing her man's cock with her smoke as she goes down deep, all the way to a messy finish.
